

Enhance Your Students' Learning Experience

Your Classes. Your Content. Your Choice.

Introducing HotChalk's **MyLibrary**, a powerful, progressively-faceted Digital Content Browser that allows you to easily find and access thousands of educational resources, including lesson plans, e-books, videos, images, podcasts, audio files and more. Simply by linking that content to your existing or new lesson plans within HotChalk's *MyClasses*, you will improve student instruction and learning with a single click -- and that's just the start! HotChalk is continually partnering with world-class producers and educational institutions to bring you the best selection possible of digital content; your school can select à la carte from premium content offerings. In addition, *MyLibrary* gives you immediate access to thousands of free lesson plans created by our growing educational community.

With HotChalk's *MyLibrary*, you will:

- **Engage** students with an unprecedented freedom of choice to select and deliver the content that best fits your needs, enhancing daily lessons
- **Access** free teacher-approved lesson plans and thousands of videos and content from the best producers in digital education, including *History Education*, *Globetrekker*, *McGraw-Hill Education*, *National Geographic*, *VEA* and *PBS*
- **Locate** and access quickly and easily the content you need - within seconds - through an intuitive and powerful Web 2.0 search engine
- **Preview, download and stream** free and premium video content
- **Upload** your own content
- **Collaborate** with a growing global community of hundreds of thousands of educators

New! Complete Content and Curriculum Management Tools

With HotChalk's new **Content and Curriculum Management** tools, schools and districts can easily manage, upload, organize and deliver their growing library of local and licensed digital assets to their teachers and students. These powerful tools also allow you to align your curriculum maps and content to state educational standards.
